Professional Summary

Seeking a full-time position in a creative environment, that will allow me to utilize my skills to make a positive impact at your organization. I have 20+ years of experience in customer service, retail, and creative artistry. In every position that I have held, I have been a hard-working self-starter with a positive attitude. I relish working for diverse, results-oriented companies, in teams or as an individual contributor. I have strong communication skills and poise when handling customer inquiries or serving private clientele. I can maintain a clean and organized work area. My other key skills include problem-solving and creative design. I have experience handling cash, confidential information, and delivering sensitive government regulated products in secured environments. I have experience as a store receiving specialist at Toys R Us, managing warranty returns to ensure customer satisfaction, as well as removing and returning product safety recalls.

Work Experience

USPS MAIL HANDLER
